# WE ARE YOUR LOCAL PREVENTION COUNCIL

The Middletown Substance Abuse Prevention Council

(MSAPC) is a coalition

committed to increasing the awareness of alcohol, tobacco, and other drugs (ATOD) as well as prevention and education.

With our Prevention in Connecticut Community Grant we are aiming to decrease peer norms surrounding ATOD and increasing family, parental, and peer disapproval surrounding the activities.

## PARTNER AGENCIES

MSAPC collaborates with other agencies to share resources and provide prevention programs & and education to youth and families.

The coalition is reflective of our community's culturally rich diversity and includes representation from all key groups **in** community.

Together we offer educational forums, community presentations, youth programming & substance-free activities.

## YOUTH SECTOR

There are opportunities for youth grades 6-12 to participate in our Youth Coalition Sector.

Some of the campaigns that youth have the chance to participate are:

- #TalkTheyHearYou
- P.R.O.M
- National Drug Facts Week
- National Prevention Week
- Driving under the Influence
- Driving while distracted

Youth are able to gain community service hours and experience working in collaboration with their peers and working toward prevention goals in their communities!
